

Vanille Bistro Catering Menu

At Vanille Bistro, we are a highly flexible company that supplies catering for both parties & corporate events, specializing in quality finger food including fine French patisserie, at reasonable prices.

We pride ourselves in all our products that are made to order, on premises and for which we absolutely guarantee freshness 100 % every time.

Whether it be a birthday bash, a Christmas break-up or an important corporate function, our reputable company team has the experience, professionalism & dedication to provide you with a gourmet or regular catering that is sure to impress. You could choose from our existing menu but remember if any of the items listed is not quite what you are looking for, we will be happy to put together a custom package for you.

At Vanille Bistro, we also offer our customers a choice of set menu that would suit their budget, if this is what they require.

Moreover, we are able to provide a free delivery service within 8 km from our location. (Minimum order \$60)
Other arrangement would need to be made otherwise.

Our trading hours are 8 am to 4 pm (Mon- Sat). If catering is required outside these hours, this could easily be arranged.

As a general policy, we would highly appreciate at least 48 hrs notice for all catering orders to be confirmed. However, we understand that sometimes it might not be possible specially in the case of unexpected corporate meetings & funeral events. In those situations, we would effectively provide our suggestions on a menu that we would be capable of offering on such a short notice.

Vanille Bistro accepts all forms of payment options including cash on delivery, cheque, direct deposit & most major credit cards.
