

# Vanille Catering

Established since 2006, Vanille is a highly flexible company that supplies catering for both parties & corporate events, specializing in quality finger food at reasonable prices.

We pride ourselves in all our products that are made to order and for which we absolutely guarantee freshness 100 % every time.

Whether it be a birthday bash, a Christmas break-up or an important corporate function, our reputable team has the experience, professionalism & dedication to provide you with a gourmet or regular catering that is sure to impress.

We can also offer our customers a custom package that would suit their budget, if this is what they require.

We are able to provide a free delivery service within 10 km from our location. (Minimum order applies)

As a general policy, we would highly appreciate at least 48 hrs notice for all catering orders to be confirmed. However, we understand that sometimes it might not be possible especially in the case of unexpected corporate meetings & funeral events. In those situations, we would effectively provide our suggestions on a menu that we would be capable of offering on such a short notice.

Vanille accepts payment options including cash on delivery, direct deposit & most major credit cards.
